### Benefits of Corporate Membership

All corporate memberships and interaction between UKDHC and the corporate member must adhere to agreed Policy Corporate Guidelines.

- Opportunity to be a member of UKDHC Digital Consortium.
- Opportunity to share and test ideas with the UKDHC network.
- Opportunity to inspire future leaders/talent pipeline via mentorship/coaching and mentee opportunities.
- Receive feedback and products in front of professional cohort/network.
- Opportunity to act as a trusted expert on the world of digital health with demonstrated commitment to charities and social organisations.
- Networking opportunities – meetings/events/conferences.
- Discounted tickets for events/conferences/subscriptions.
- Opportunity to run training courses for members.
- Opportunity to speak/present at events to raise company profile.
- Access to secure area of UKDHC website, which can detail what is currently going on in the third sector/digital space and within the organisation.
- Dedicated ambassador from the member who leads on interactions across company and UKDHC.

To discuss any of the above in confidence, please contact:

**Prof. W Angus Wallace, Director UKDHC, email [angus.wallace@ukdhc.org](mailto:angus.wallace@ukdhc.org) or call 078 366 99600.**
